Miss Coed Named Football Queen

JOAN SCHOENFELD, Provo, has been selected Brigham Young University's spring football queen.

La Deane Olsen, Provo, was second, and Karen Dixon, third.

The three won over seven finalists in judging Saturday evening. They appeared before the eight judges both in their own clothes and in football uniforms.

In the first contest, in which BYU is competing annually for beauty recognition, Miss Schoenfeld will

compete next fall in the Berkeley, Calif., Miss Football contest.

Judges in the BYU contest were Dean A. Nuttall, president, Downtown Coaches Club, Mrs. Wells Cleward, and Mrs. Fred A. Schwendman, Provo, Ray Neal, Green; Scott Farmer, Great Falls, Mont.; Phil Nelson, San Diego, Calif.; and Paul Eckel, Medford, Ore., football players, and Mrs. Joe Goodson, who was Miss Portland, Ore., in 1951.

The winners will all receive gifts from Provo merchants, with Miss Schoenfeld receiving an impressive array including silver, china, jewelry, and clothing.

She has been offered a modeling job for the summer by building soil designer Rose Marie Reed, who plans to design an exclusive cut suit for BYU's queen to wear in the Berkeley contest.

The queen is to begin her duties by reigning over the annual Blue-White football game, April 23.

Candidate Explains Platform; Takes Second Veep Position

Elaine, candidate for student body second vice president, today announced that his term will be built around getting student wishes in social and cultural activities.

He plans to continue the program started this year by Service President John Ward, making student opinion sur-

veys and planning activities accordingly.

His first stated project is to work for "fewer lyciums or higher caliber." This suggestion was recently brought up through one of Ward's Research Committee's opinion reports. The suggestion was also made at a recent meeting of student leaders with the University presidency.

Student Leader Tells Hopefuls Of Govt. Needs

INFORMING the studentbody of University administrative moves was cited as an area of student government needing improvement, in a statement last week by Studentbody President Wild Tingey.

Tingey made this statement to the Daily Universe in a talk similar to the one he gave before candidates for the president's post Thursday afternoon. His statements were planned to acquaint the candidates and the voters with his requirements and duties of the office.

THE STUDENTBODY president is the student representative on several University policy- and planning committees, including the Athletic Council, Student Personnel Services Committee which includes housing, commuting, traffic, physical plant, and other groups, the Carillon bells committee, publications committee, Student Union Building Committee, and Steering (policy) Committee.

In these positions the student president meets with University administrators, and is responsible for bringing student complaints and problems before the groups.

THESE HAVE become largely honorary committees," Tingey said. He said that most of the candidates probably did not know these committees existed nor that the student was represented in University planning groups.

No procedure has been set up this year for students' contacting their representative to these committees or for the representative reporting to the student body as discussed or decided, he said.

He agreed that publicity of the committees' work would tend to stimulate interest in them.

THOUGH the president is delegated as student representative, Tingey said that he sometimes has assigned other members of the Executive Council to handle various committees.

MEN ADMIT BELL-RINGING

FOUR MEN students of Brigham Young University confessed Friday to the unauthorized ringing of the Carillon Bells on two occasions during February and March.

Turning themselves in to Dean Wesley P. Lloyd, dean of

students, were Scott Farmer, Great Falls, Mont.; Jerry Egan, Glendale, Calif.; Ray Taylor, McGill, Nev.; and Frank Katterman, Linoai, T. H.

The four have been placed on "indefinite probation," Dean Lloyd said.

IN ANNOUNCING the punishment, Dean Lloyd said the prank situation has gone to a point where small minority hasn't been able to differentiate between pranks and actual molesting of property which does not belong to them.

The confessed bellringers are responsible on their probation status to the Faculty Committee on Honor, headed by Dr. Hood Bradford.

FIRST INSTANCE of an unscheduled concert was the afternoon of February 26, when offenders broke into the bell console and placed a chloroformed cat under the key cover. When the cat regained consciousness, it rang the bells by running up and down the keyboard trying to find an escape exit. The bells rang until security officers released the animal.

The second incident took place the night of the Belle of the Y Ball, March 9.

THE BELLS, which began ringing at about 11:25, were kept ringing by a retaining arm on a toy building-set motor which hit first one key, then another.

Approximately \$15 damage was done to the bell and building facilities by the bellringers, according to Capt. E. Leonard Christensen, head of the Security Department.

A statement from the four students is printed in full on page 2 of this issue of the Daily Universe.

Wilkinson Not Office Seeker

President Ernest L. Wilkinson Saturday released a statement to the press that he will not be a candidate for office of Governor of Utah.

He stated that though he has given no encouragement to those citizens who have urged him to run for this office, he has devoted much thoughtful consideration to their requests, and since the press has speculated on his possible candidacy it was unfair to make a definite statement and explain the reason for his decision.

The president went on to explain his decision by saying that he began a program of expansion at the Brigham Young University which has been only partially carried out. "The most important aspects which have to do with the quality of education... are still in the making."

He stated that it would be unfair to the Board of Trustees to resign under such circumstances.

Late Dorm Hours Slated For Prom-Going Coeds

Dr. Henry L. Jackson, student coordinator, has announced that girls' dorm hours will be extended on Junior Prom nights, Friday and Saturday until 2 a.m.

He also stated that no late passes will be issued on these nights.

Social units are asked to register their pre-Prom and post-Prom parties in the YCC office.

Nautilus Awarded Songfest Honors

"Mistaken" was the theme of the tenth annual Songfest on Friday night in the British Ballroom. Seventeen chorals composed for the awards an extravaganza of original solo, lyric and costume.

In the women's division, Val Hines placed first, Nautilus second, and ToKalos third. The judges placed first in the men's division, with Val Hines second, and Templars third.

The annual award for the

most original and outstanding composition was awarded to the Nautilus for the third consecutive time.

A new tradition in trophy giving was originated when a mixed group trophy was awarded to Sigma Alpha Eta.

Friday's Universe story of Songfest mistakenly reported that the women's trophy had never been retained by one group. Costa The next permanent possession of a trophy in 1949 and ToKalos in 1952.

Prom-Date Chase Highlights Assembly Presented by Dance Committee Today

THEME OF the Junior Prom assembly Tuesday will be "Carnival, Cal-type," according to Donna Giamer, Mesa, Ariz., assembly chairman.

The plot centers around three female hopefuls who are trying to get three wazy males to take them to the Junior Prom.

The story unfolds in the atmosphere of a carnival, with a tunnel of love, a crystal ball quiz, a fun house, human lottery, clown, and even a bearded lady.

IN TRADITIONAL 1956 year style, the three ladies, Pat Strong, Raymond, Alta, Cecilia, Gail Nelson, Benburg, Ida, and Glenda Ingraham, Colton, Calif., pursue the men until they get dates to the Prom.

Roles of the men will be played by John Hales, Glendale, Calif.; Verland Whipple, Bellflower, Calif.; and Norman Nielsen, Orem.

MEMBERS of the assembly committee are LaLue Alton, Provo, dance director; Marilyn Luke, Twin Falls, Ida, costume; Dorothy Whitaker, Circleville, make-up; Lashayne Glasby, Ogden, art; and Edna Gerb, Salt Lake City, programs.

Working on props for the event are Myron Bergerson, Kansas City, Mo.; Bryant Jensen, Fairview, Nether Hutchinson, Mesa, Ariz.; and Gary Barnes, Sumner, Ida.

The Y's Men will furnish the accompaniment for the assembly.

Death Recalls Story Of 'Mailing Bank'

HAYDEN, Utah (AP)—The man who mailed a bank building, brick by brick, from Salt Lake City to Vernal, Utah, has died following an illness in his home here.
 He was William Horace Coltharp, 72, president of the Bank of Vernal.

BYU Student Receives U of U Assistantship

Barid Baram Jukherjee, a student from Bengal, India, has received an assistantship valued at \$1200, good for one school year at the University of Utah. A graduate of Calcutta University in 1931, Mr. Jukherjee will receive a Master's degree from Brigham Young University in June.
 Under the assistantship Mr. Jukherjee will do advanced work in cytogenetics, the study of cells in relation to heredity.
 In India he was biology instructor at Vidyaasagar College, which is a government-aided degree college located 100 miles from Calcutta.

Ike Vetoes Bill Seen 'Harmful' To Agriculture

WASHINGTON (AP)—President Eisenhower vetoed the farm bill Monday.

In his veto message, Eisenhower told the lawmakers the high price support bill "would do harm to every agricultural region of the country and also to the interests of consumers."

The bill would return farm price supports to 90 per cent of parity for one year, junking the administration's flexible support system.

CONGRESSIONAL backers of the measure conceded there was no chance for enactment of the bill over the veto.

This would require a two-thirds vote to override the President.

Eisenhower's message, sent to the House since the farm bill originated there, announced the administration is taking four actions under existing law "to improve farm income now."

THE YOUNG Republicans of Brigham Young University had sent a telegram to Pres. Eisenhower urging him to veto the farm bill, according to Eugene Kingdon, chairman of the Young Republicans.

Confessed Ringers' Statement

(See Story on Page 1)

Administration, Faculty, and Students:

WE, WHOSE signatures appear below, of our own free will desire to make this public apology to the faculty and student-body of this University for the misuse of their property and for inconvenience caused.

One thing we wish to make clear at the outset of this apology is our basic attitude. We do this in complete humbleness and with full realization of the seriousness of the offense we have committed. We wish it understood by all that we do not consider lightly the thing we have done.

WE DO NOT want or expect to be made martyrs or heroes in the eyes of our fellow students. We want the studentbody to know there is absolutely no pressure from the administration involved in this letter. We write this letter of our own free will and for the express purpose of attempting to make amends for the damage we have done.

We wish it known that in planning the illegal playing of the Carillon bells we intended no damage nor to cause any trouble. We meant it only as a practical joke. In our haste we failed to consider the serious implications involved. Specifically we did not consider the time that would subsequently be expended (time which we cannot make restitution for) by the Security Office, the Bell Committee, and other administrative officials who dealt with the affair.

WE ARE WILLING to go to any means to make amends for our actions. We would like to make a complete payment for damages done to the console and other property damaged as a result of our actions. In addition we would like to make public this, or a similar, apology to the student-

body and faculty of this University. We are willing to make oral apology to an assembly of students and faculty during an assembly.

If the Bell Committee desires we will gladly donate time and special attention facilitating the need for and collection of the fees pledged by members of each class for payment of the cost of the bells.

WE ARE WILLING to submit to any suggestions which the administration may make to press upon fellow students seriousness of such high schoolish pranks and to make amends. We hope that this will serve as a lesson to others who might be tempted to indulge in any such pranks, that they think twice before acting.

Had we not acted in haste we would have realized that with an enrollment of eight thousand students at this institution the administration hands full taking care of its pranks, and ours simply added to their labors. Truly, every University-connected, mischievous activity robs the administration of valuable time which could and should be spent in acceding this institution toward its ultimate destiny.

EVEN MORE important than the loss of time, however, is injury to the principle that is laid and rules of behavior are instituted for the protection and welfare of all, including ourselves. By being disloyal to this principle we may have caused others to be disloyal to it. We consider this injury to the principle as the possible prompting of others to be disloyal to it, to be the cardinal sin in our breaking of these laws and rules of behavior.

We write this apology repeatedly and wish to herewith publicly promise that we will never again indulge in or condone any malicious misuse of student property at school property. We realize the seriousness of the offense we have committed and are willing to accept any punishment doled out like men with no grudges or ill-feeling toward anyone. Thank you.

Respectfully yours,
 Scott Farmer
 Jerry Ensign
 Ray Taylor

Baseballers Split With Montana Nine

by Howard Hill
Universe Sports Writer

Brigham Young University's baseball team defeated Montana 5-3 Saturday afternoon behind the two-hit pitching of Owen Skousen after the Grizzlies dropped the BYU nine 6-5 Friday afternoon. Both contests were played at Timp Park.

Originally, there was a BYU-Montana double-header scheduled Friday afternoon, but the second game of the twin-bill was re-scheduled for Saturday afternoon due to rain.

SKOUSEN had a no-hitter going for seven innings in Saturday's encounter, but two Montana hits in the eighth frame spoiled Skousen's bid for a hitless game. However, the Silver Tips scored their three runs without the aid of a base hit.

Cougar catcher Dale Lewis and first baseman Tom Phillips led the Cat offensive attack. Lewis banged a tremendous home run in the seventh inning with none aboard, while Phillips drove in two rallies with a single in the fourth frame. A double by BYU second sacker Paul Haney drove in another Cat run in the fifth inning, and centerfield Paul Kitchen, who collected two hits, drove in the other Cougar run with a single in the first inning.

Home runs by Brigham Young third baseman Gary LaComb and Haney were not enough as the Cougars dropped their opening game of western division play Friday. LaComb clouted his four-bagger in the third inning with none aboard, and Haney smacked his round tripper in the fifth with none aboard. Each LaComb and Haney collected two hits, but right fielder Dave Lewis was the Cougar hitting star, as he drove in the other three BYU runs, with three hits, including a double.

Four Straight . . . Cougars Take Second Meet In Arizona

by Jack Smith
Universe Sports Editor

BRIGHAM Young University's crack track and field team swept to its fourth win of the young season when the Cougars clobbered a troublesome Arizona State Sun Devil squad at Tempe Friday night.

Capturing 10 first places and tying for an 11th, the Cougars smashed the Arizonans 79-53.

Several climatic duels were staged between the athletes from both schools during the course of the evening.

Perhaps the most thrilling finish of the night was the cap of the mile, in which Sherril James of BYU and Ray McKisson of ASC ran neck in neck until the final 220 when both runners after their equally famous kick. James gradually put daylight between himself and the tiring McKisson to finish strong. He chalked up his best time of the season, touring the four lapper in 4:16.7.

The second big duel of the night was in the javelin event where BYU's "Pinkie" Higgins and ASC's Benny Garcia provided the crowd with a lot of thrills fighting it out for first place honors. Higgins led with a throw of 223 feet 9 inches when Garcia unleashed a tremendous toss of 220 feet 1 inch to put away a blue ribbon for the Sun Devils.

An outstanding display of pole vaulting was given by Arizona's Dave Kenly as he soared over the bar at 14 feet, narrowly missing at 14'6".

THE OTHER firsts for ASC came from Roberts in the low hurdles and Leon Burton in the 100 and 220.

BYU swept two events when James, the only double winner for BYU, Bok Suk Shim, and Al Ray, all of BYU, finished in that order in the two-mile run. The Cougars also copped at all three places in the high hurdles with Willard Hirschi, Mel Wilkes and Roger Sisk picking up the nine points for the BYU cause.

Others picking up first places for the Cats were Mary Eberston in the shot put, Arvyn Finlanson in the 440, Paul Anderson in the 880, Mel Wilkes in the broad jump, and Bill Bird in the discus. Ralph Benson and Doug Spriehower tied for first in the high jump.

The Brigham mile relay team continued its undefeated streak by downing the ASC crew with a time of 3:20.
